April 2025 – A new book, *A-Z From God to Thee: A New Christian's Guide to the Way*, is making waves in the Christian community as a creative, engaging resource for those embarking on their journey of faith. Written by Becky A. Crowe, a passionate pastor and author, this guide offers new believers an easy-to-understand and vibrant introduction to the essential concepts of Christianity.

Becky A. Crowe, who lives in Michigan with her husband and co-pastor of Springfield Assembly of God Church, brings her wealth of experience and a love for the gospel to this exciting new project. Together with her husband, they also run a successful motorcycle business and online retail store, yet Becky's heart has always been focused on serving the Lord and spreading His word.

“Many new Christians are eager to know more about their faith but feel overwhelmed by the vastness of the Bible, this book simplifies that journey by breaking down important concepts in a fun, approachable way. Each letter of the alphabet corresponds to a key Christian concept and includes three Bible verses to help clarify God's word on the subject.”
